JMAR Jefferson 8M11 the \$48,000 high selling bull at our 2022 spring "New Beginnings" sale going to ABS. Jefferson is the former #1 TSI bull in the Charolais breed and easily the highest TSI bull with acceptable birthweight and elite carcass. Jefferson is a rare combination of performance, EPDs, eye appeal and maternal. His dam is one of the top Silver Gun daughters in the breed and holds a #1 TSI ranking herself. Jefferson is Homozygous Polled and PA Free. For semen contact your ABS representative. Qualified for U.S. and Canada.

Joshua will lead you into the promised land. JMAR Joshua 23M11 was the high selling bull in our fall 2022 bull sale at \$31,750, with several other top breeders from around the country bidding. He has an unparalleled EPD Package that combines Performance, Muscle, Marbling and Maternal as well as any bull in the Charolais breed. Combined with his phenotype, foot scores and feed efficiency make Joshua the leader he is prophesied to be. PA Free. Semen available through LG Herndon Jr. Farms

Hosea topped our 2021 spring sale at \$31,000 and hasn't looked back. JMAR Hosea 2M70 is one of the most complete and balanced sires in the Charolais breed today. His impeccable phenotype is only challenged by his balanced EPD profile from birth to carcass. Style, Muscle and Marbling highlight this calving ease sire. Heifer safe, homozygous polled and PA free. Hosea progeny are beginning to top sales across the country. His dam is a current donor for Ankony in GA.

For semen contact Rennert Ranch or Cody Cattle Company.

JMAR Jubal 5P01 was the second high selling bull in our spring 2022 sale at \$25,250. He was purchased by Sullivan Charolais and the Jubal Syndicate. (LG Herndon Jr., Shepherd Charolais, Aristo Farms, Reaves Charolais, Bella Angel Farm, Arlitt Ranch, Evans Ranch and Wayne Bennett.) Jubal is sired by the highly proven, now deceased Canadian sire Pleasant Dawn Chisum 216. He brings outcross genetics, breed leading EPDs, big feet, big scrotal, deep flanked, excellent libido and homozygous polled to the table. Early reports on his calves this spring are exciting. PA Free.

For semen contact Sullivan Charolais or Outfront Cattle Services.

JMAR Hebrew 3M80 was the high selling bull out of our fall 2021 bull sale going to Alta Genetics. Hebrew defies the antagonisms of birth weight and growth as well as muscle and marbling. If you search the Charolais database for birth to growth spread and ribeye to marbling combination no other bull in the entire breed comes up. Hebrew is backed by one of the best and deepest cow families at JMAR. Hebrew is truly an elite terminal sire. Semen is available in the U.S. and Canada. PA Free. For semen contact Alta Genetics

JMAR Jericho 1C721 was selected out of our spring 2022 sale by some of the most astute cattlemen in Canada, Trent Hatch of Pleasant Dawn Charolais and Ed and Lyle Miller of Highway 21 Feeders, here's why: If you study the data, Jericho never ratioed below 100 on any trait he was measured. His sire is from the Schurrtop herd in NE who's becoming well know for their superior feed efficiency. His dam is a 12 year old cow, with perfect feet. She boasts a lifetime weaning ratio of 105, yearling ratio of 108 and marbling ratio of 105. We also thought so much of Jericho we flushed his dam back the same way and plan to offer those full brothers this fall in our "Quality Over Quantity" bull sale, if we don't keep one for ourselves. Homozygous Polled and PA Free. Semen is currently not being offered for sale, please visit the owners below for offspring and siblings.

JMAR Lead Time 1L16 was selected by Select Sires as a low bw, high carcass value bull to compliment their beef on dairy program as well as purebred and commercial semen sales, but he is exceeding all expectations. He is rapidly becoming known for his low birth weight and use on purebred heifers who then explode into stout, deep, big bodied, big nuttied, soggy, sound performance bulls, that commercial cattlemen love. His offspring is beginning to top sales all across the U.S. and Canada. PA Free. Semen for sale in the U.S. and Canada, contact your Select Sires representative for orders.

Grandview combines two of the breedtop individuals into one bull with exceptional performance and carcass traits. His sire is arguably one of the top breeding bulls in North America and his dam is regarded as one of the best Charolais females in existence by many who have had the pleasure to have seen her. She was the top selling female in the legendary M6 Dispersal at \$36,000 and pick of the Grand Hills Herd in the Charolais National Sale. Grandview is likely the best Patriot son and best New Germaine 484 son of either parent to date. When looking to add a sire to our elite lineup, Grandview just kept rising to the top. Homozygous Polled and PA Free. For semen on Grandview 9032 contact JMARGENETICS or Eggleston Charolais.

Lead Time was purchased as an outcross calving ease and carcass sire. He boasts a complete outcross pedigree, which can be used on nearly all pedigrees in the Charolais breed today. He sires all the convenience traits commercial cattlemen love, deep, soggy, big nuts, sound, athletic, with great dispositions. His daughters are also excelling in purebred operations around the country. PA Free. For semen, please contact ABS or see your local ABS representative.
